

Dear Sir,

Bob Price (letters October 23rd) states "The Tories, if elected to power, will freeze the minimum wage and thousands of people will see their pay packets reduced as a result".

This is simply not true and it is not part of Conservative policy. It is just another part of the Labour lie. Having broken Britain they aim to deflect attention.

If this man had any honour he would retract this statement without delay. Given Labour's record I suspect there is fat chance of this ever happening.

Yours faithfully

*Councillor Alan Wright
Conservative, St Chad's Ward*
